The GATE 2019 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_r - S_q) \frac{(M - M_q)}{(M_r - M_q)}$$

where,

 M is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard M_q is the qualifying marks for general category candidate in the paper M_r is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions) $S_q = 350$, is the score assigned to M_q $S_r = 900$, is the score assigned to M_r In the GATE 2019 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

ear Venkata Ramana Sreevatsava Griddaluru,

onratulations! It is my pleasure to inform you that you have been admitted into the Computer Science, Master of Engineering program in the College of Engineering and Applied Sciences for Fall 2019.

In order to accept or decline admission, you will need to complete the confirmation form now available on your status page.

International students must document financial support for all years of study to be issued a "Certificate of Eligibility" (Form I-20 or DS-2019) for a student visa. The total worth of financial award you may get *can be counted* as a source of financial support in the "Financial Certification Form" as funds from the University of Cincinnati. For information such as how to obtain an I-20, estimated expenses, and financial certification forms please go to: <http://www.uc.edu/international/services.html>.

Please consider that a prompt return of your documents is *imperative* to ensure that all documents required to process your visa application are present. Note that the visa application process can often take 90 days or more to complete.

here are some important conditions for your admission. They include:

1. Verification of your completed degree(s) by official transcript sent directly from your past institutions to: The Graduate School, The University of Cincinnati, P.O. Box 210627, Cincinnati, OH 45221-0627. Official transcript should be received by The Graduate School prior to the start of your graduate degree program.
2. Attendance at Student Orientations, Tests and/or other Training, for which you will receive additional information separately.

The Computer Science, Master of Engineering program may have additional requirements and deadlines for your admission. Please direct any questions or concerns to your program of study. Any questions or concerns about the "Financial Certification Form" should be directed to UC International Services.

I look forward to your positive reply and welcoming you to an outstanding graduate student experience at the University of Cincinnati.
